Church League Softball

You may not be thinking about the church league softball season yet, but it will be here quickly. Luke Martin is extending an open invitation to those interested in playing this year. The season begins at the end of April and usually runs till the end of July, depending how deep into the playoffs we get. The regular season is usually 15-16 games which are played on Monday, Tuesday, or Thursday evenings starting at 6:15 PM. On average that is about two games a week. For those interested you have to be 16 years of age or older to participate. Please let him know this week if you would like to play so he can let the league president know if Covenant will have a team this year.
